

Kelly's Kids Enrollment Application

Please complete the form below to help us to determine if our program is a good match for your child. Full disclosure of information is required, and any falsification of information may be cause for termination of care if we feel our program matches your child's care needs. Please complete one form for each child in your family, as each child is unique in their care needs.

Name of child: _____ Child's Age: _____ Date: _____

Circle one: Full or Part Time Care Hours of Care Needed: _____

Has your child attended a child care program before, including home child care?

If so, what is the last or current child care center your child attends?

What are you looking for in a child care center?

What have you liked about child care centers your child has attended?

What have you disliked about child care centers your child has attended?

Does your child have any special needs?

If so, please describe your child's special needs in as much detail as possible:

Does your child have an IEP or IFSP? If so, who is working with your child and where?

Is your child on any medication?

If so, what medication is your child currently taking?

Will this medication need to be administered at the center? How often?

Does your child have any allergies? If so, what are they?

Does your child have any dietary restrictions based on religious or medical reasons? If so, what are they?

The following questions are regarding your child's development. We ask these questions so that if your child is enrolled in our program, our teachers can be aware of your concerns and keep a special eye on that area of your child's development and track progress he or she makes.

Do you have any concerns about your child's physical development? If so, please explain.

Do you have any concerns about your child's cognitive development? If so, please explain.

Do you have any concerns about your child's language development? If so, please explain.

Do you have any concerns about your child social or emotional development? If so, please explain.
